Grace of Monaco

by Jeffrey Robinson

Read by Jeffrey Robinson

The acclaimed biography of Grace Kelly, now a major motion picture starring Nicole Kidman.

It was one of the most famous romances of the 20th century - Europe's most eligible bachelor, Prince Rainier of Monaco, and America's most beautiful movie star, the Academy Award-winning actress Grace Kelly, fell in love against the backdrop of the closest thing the modern world has to a magical kingdom, the French Riviera's Principality of Monaco. Told with affection and humor, and written with the unprecedented cooperation of Prince Rainier III and his children, Prince Albert, Princess Caroline, and Princess Stephanie, *Grace of Monaco* takes readers beneath the surface glitz and the glamour of Monte Carlo for a never-to-be-forgotten portrait of the House of Grimaldi.

AUTHOR

Author Jeffrey Robinson lived in the South of France for many years and got to know Princess Grace and her family. Prince Rainier's only stipulation to him was, "Tell the truth."
