Lucy Stone is saying "Au revoir!" to Tinker's Cove and "Bonjour!" to Paris.

Tinker's Cove is abuzz with excitement when Norah, the queen of daytime TV, comes to town and selects Lucy and her pals to be featured in her "Women Who Make a Difference" episode. In recognition for their charitable work, the ladies and their husbands are awarded a dream vacation in Paris, complete with classes at Le Cooking School with renowned pastry chef Larry Bruneau. But their bon voyage is cut short when Lucy discovers the chef in a pool of blood on the second day of class... If she's going to enjoy her vacation, she'll have to unpack her sleuthing skills and clear her name. But will she be able to track down a killer more elusive than the perfect macaron?
