## Matar a un ruiseñor (To Kill a Mockingbird - Spanish Edition)

by Harper Lee

Read by Adriana Sananes

**Harper Lee's masterwork of honor and injustice in the deep south - heroism of one man facing hatred**

One of the best-loved stories of all time, Pulitzer prize-winner To Kill a Mockingbird has sold more than forty million copies worldwide, and served as the basis for an enormously popular motion picture. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father - a crusading local lawyer - risks everything to defend a black man unjustly accused of a terrible crime. Now available in Spanish.

### AUTHOR

Nelle Harper Lee is known for her Pulitzer Prize-winning novel To Kill a Mockingbird, her only major work. In 1999, it was voted "Best Novel of the Century" in a poll by Library Journal. Her father was a lawyer who served in the Alabama state legislature from 1926 to 1938. Lee has granted few requests for interviews or public appearances. Her second novel, Go Set a Watchman, is scheduled to be released in July, 2015.

### READ BY

Adriana Sananes is an award-winning actress who performed as a lead with New York's Repertorio Espanol for ten years. Now also a voiceover artist, she narrated the documentary Children of Fate, which won the Grand Jury Prize at Sundance and was nominated for an Academy Award, and she has recorded over one hundred audiobooks, including the Spanish version of Pulitzer Prize winner Enrique's Journey, for which she won an Audie.
