A journalist enters a world of danger when she blows the cover of a deadly covert operative.

Kelly Taylor's career as an investigative journalist was derailed by a news story that resulted in tragedy. But she may get another shot at the brass ring. After vanishing twenty-five years ago, the long-lost son of a powerful state senator has turned up in her Arizona town. With few memories of his childhood, Logan McCord grew up to become a trained killer who fights terrorism. A twist of fate reunites the Special Ops agent with his family, but the homecoming isn't what he expected. With his true identity exposed, Logan's enemies know where to find him.
