## The Tale of Peter Rabbit and Other Stories

by Beatrix Potter

Read by Joan Walker

### A collection of Beatrix Potter's beloved animal stories

Written for the five-year-old son of her former governess, *The Tale of Peter Rabbit* was Beatrix Potter's first literary offering. Immensely popular upon its release in 1902, *The Tale of Peter Rabbit* featured a mischievous bunny who encounters a cranky old gardener and his cat. Beatrix Potter's work was notable for its lively illustrations of animals and imaginative characterizations of rabbits, squirrels, cats and mice. Working with her future fiance Norman Warne as her editor, she published two or three little books each year from 1902 through 1918. The initial twenty-two stories are included in this new audio edition.

### AUTHOR

Helen Beatrix Potter (1866-1943) was an English writer, illustrator, scientist, and conservationist. She is best known for her children's books featuring animals, such as the beloved *The Tale of Peter Rabbit*, which was written as a gift for the son of her former governess. Its success enabled her to commit to writing and illustrating full time, resulting in more than thirty books.

### READ BY

Joan Walker has over thirty years of professional acting experience. She has appeared in over 500 plays on BBC radio, voiced countless television and radio adverts, narrated copious audiobooks (some of which have won awards, including Earphones), narrated an array of documentaries, created voices for animations and video games, and voiced audio guides for some of the greatest art galleries and museums in the world. Born and raised on a dairy farm in Derbyshire, she lives in the UK.
