by Alex Irvine

Read by Richard Rohan, Full Cast

A novel of the Marvel Universe

The fate of the entire Marvel Universe hangs in the balance as Earth's mightiest heroes face their greatest challenge! Summoned across the stars by the mysterious and unbelievably powerful Beyonder, the Avengers, Spider-Man, the Fantastic Four, and the X-Men are set against their deadliest foes on the mysterious planet known as Battleworld—with the winner promised the ultimate prize.

But as battle lines are drawn, new alliances are forged, and old enemies clash, one among them is not willing to settle for anything less than godhood. Can even the heroes' combined might prevent Dr. Doom from becoming the most powerful being in the universe?

This GraphicAudio® Production is adapted from the graphic novel by Jim Shooter, Mike Zeck, and Bob Layton.
